# FAQ

## **Which version/releases of Tally.ERP 9 does the add-on support?**

This add-on will work only with Tally ERP 9 Series A, release 6.0 onwards.

## **How will I get support for this add-on?**

For any functional support requirements please do write to us on [tdl@aaplautomation.com](mailto:tdl@aaplautomation.com) or call us at +91-288-2660530/31/32 or +91-9099908115/ 9825098442.

## **If I need some enhancement / changes to be incorporated for the add-on, whom should I contact?**

Please to write to us on [tdl@aaplautomation.com](mailto:tdl@aaplautomation.com) with your additional requirements and we will revert to you in 24 hours.

## **Will new features added be available to us?**

We offer one year availability of all support and new features free of cost. After one year, nominal subscription cost will be applicable to you to continue to get free support and updates.

## **What will happen after one year?**

There is no fixed annual charge to be payable mandatory. However if any changes are required in our Add-On to make compatible with New Release of Tally.ERP9 then the modification Charges will be applied.

## **I am using a multi site. Can I use the same Add-on for all the sites?**

No, one Add-on will work only for 1 site. You need to purchase again if you want to use the same Add-on for more sites.

## **I have upgraded to a new Tally.ERP 9 Release. What will happen?**

Normally, the add-on will work fine without any glitches. If you face problems with the Add-on, you can contact us for support.

**Product and Features Page shows errors with the Add-on, What do I do?**

Check first if the error is because of the Add-on or because of clashes between 2 TDLs (An add-on is also a TDL). In case of clashes, disable one or more TDLs and check which TDL has error. If the Add-on has a problem, you can report it to us.

**My Tally went into educational mode after installing the add-on. What do I do?**

Go into **Gateway of Tally** → **Press F12** → **Select Product and Features** -> **Press F4** and remove the Add-on from the list and Restart Tally.
