Update Costing Method of Multiple Stock Items– 1.0

Introduction

Closing Stock Value in Stock and Financial Reports depend upon the Costing Method Selected in Item Master. Some times it is necessary to change Costing Method of Stock Items to get the proper Closing Stock Value. By Default in Tally user can change the Costing Method by altering each Stock Item individually. This add-on provides facility update costing method of multiple stock items quickly. No need to go in every individual stock item alteration screen to update costing method.

Benefits

- Costing method of stock item can be updated from single button hence saves time of Updating.

- User can update group as well as separate multiple stock items.

What's New?

- Combatable With Tally Prime

Important!
Take back up of your company data before activating the Add-on.

Once you try/purchase an Add-on, follow the steps below to configure the Add-on and use it.

FAQ

Which version/release of TallyPrime does the add-on support?

This add-on will work only from TallyPrime Release 1.0 onwards.

How will I get support for this add-on?

For any functional support requirements please do write to us on mail@aaplautomation.com or call us at +91-288-2713956/57/58, +91-9023726215/16, 9099908115, 9825036442.

If I need some enhancements / changes to be incorporated for the add-on, whom should I contact?

Please to write to us on mail@aaplautomation.com with your additional requirements and we will revert to you in 24 hours.

Will new features added be available to us?

We offer one year availability of all support and new features free of cost. After one year, nominal subscription cost will be applicable to you to continue to get free support and updates.

What will happen after one year?

There is no fixed annual charge to be payable mandatory. However if any changes are required in our Add-On to make compatible with New Release of TallyPrime then the modification Charges will be applied.

I am using a multi-site. Can I use the same Add-on for all the sites?

No, one Add-on will work only for 1 site. You need to purchase again if you want to use the same Add-on for more sites.

TDL Management screen shows errors with the Add-on. What do I do?

Check whether the error is because of the Add-on or because of clashes between 2 TDLs (An add-on is also a TDL). In case of clashes, disable one or more TDLs and check which TDL has the error. If the Add-on has a problem, you can report it to us.

My Tally went into educational mode after installing the add-on. What do I do?

Go into **Gateway of Tally → Press F1 (Help) → TDL & Add-on → Press F4 and** remove the Add-on from the list and Restart Tally.
