Disable Key/Button Access

Control Module – 1.0

Introduction

This Add-On allows the Administrator to control specific keys /buttons for Specific Users/User Group, so that no un-authorized users can access specific buttons for any voucher or Ledger.

Benefits

- Control can be given user wise or User Group Wise (Security Level) also.
- Admin can control Add, Duplicate, Insert, Delete, Cancel, Print, Share, Export and Exchange buttons for specific User/User Group .

What's New?

- Compatible with Tally Prime.

Important!

Take back up of your company data before activating the Add-on.

Once you try/purchase an Add-on, follow the steps below to configure the Add-on and use it.

Installation

1. Copy the TCP file in Tally Prime Folder.
2. Gateway of Tally → F1 (Help)→ TDL & Add-on → F4 (Manage Local TDL) → Select Yes in Load TDL on Startup and give the file name of TCP File. After pressing the Enter Key will show TDL Status which should be as Loaded.

System requirements:

No additional hardware / software infrastructure is required for executing and operating this application module.

Activate the Add-on.

For TallyPrime Release 1.0

Go to **Gateway of Tally** → **F1: Help** → **TDL & Add-On** → **F6: Add-On Features**.

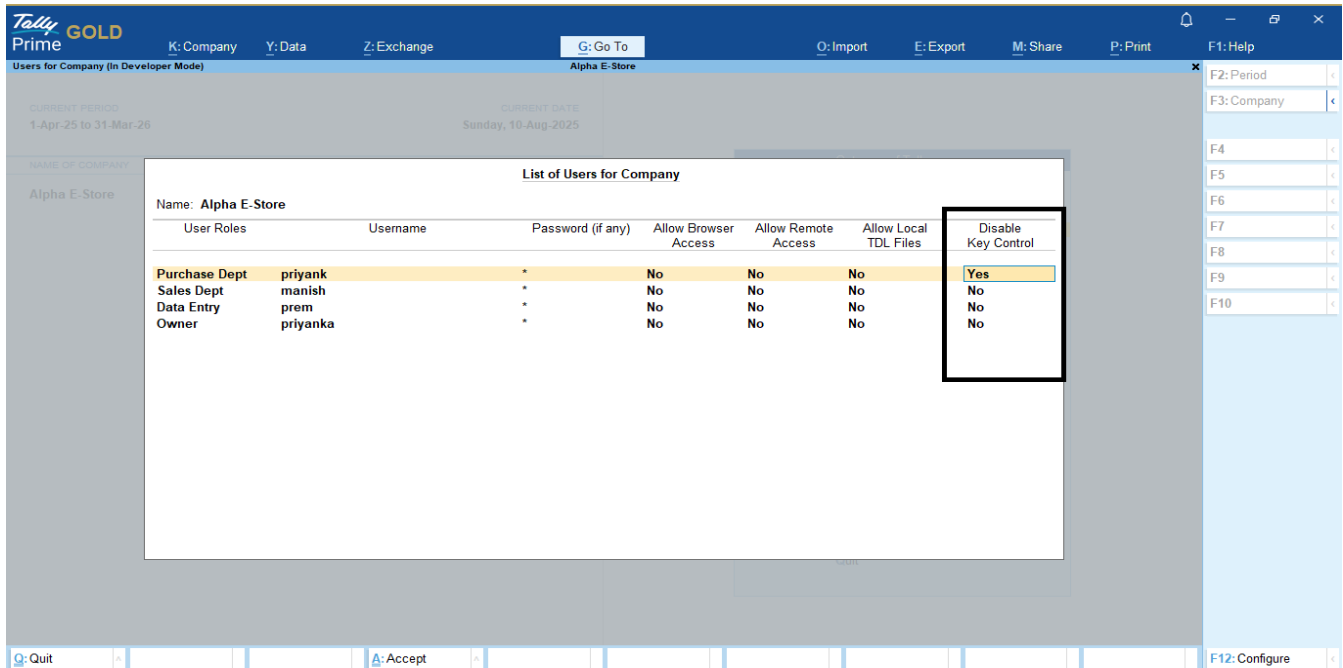

Alternatively, you may press **CTRL + ALT + T** from any menu to open TDL Management report and then press **F6: Add-On Features**

Set “**Yes**” to the option “**Activate Disable Key/Button Access Control Module?**”

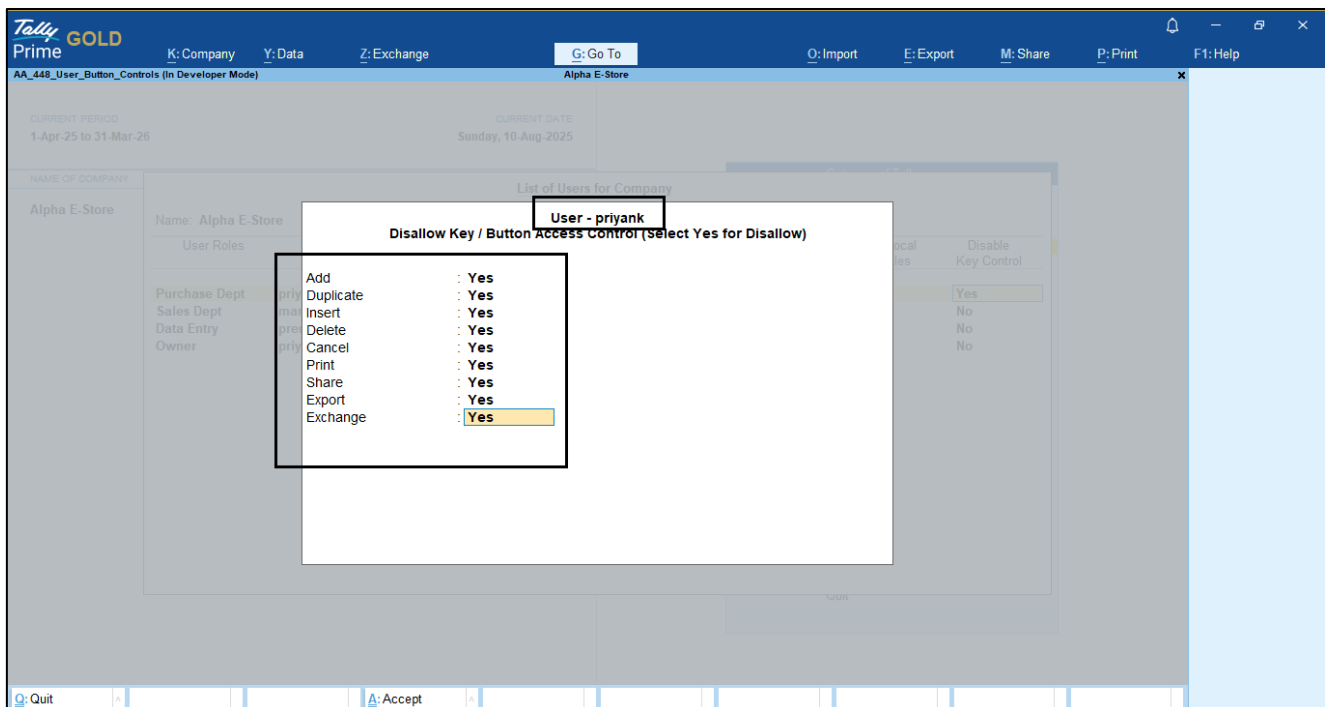

Select Control Based On:- “**Based on User**” or “**Based on User Group**”

Once this feature is enabled user or user group cannot use selected buttons /key in any voucher.

- As Based on User Selected
- Select keys / buttons to disable as shown below to selected user.

FAQ

Which version/release of Tally Prime does the add-on support?

This add-on will work only from Tally Prime Release 1.0 onwards.

How will I get support for this add-on?

For any functional support requirements please do write to us on mail@aaplautomation.com or call us at +91-288-2713956/57/58, +91-9023726215/16/17/18, 9099908115, 9825036442.

If I need some enhancements / changes to be incorporated for the add-on, whom should I contact?

Please to write to us on mail@aaplautomation.com with your additional requirements and we will revert to you in 24 hours.

Will new features added be available to us?

We offer one year availability of all support and new features free of cost. After one year, nominal subscription cost will be applicable to you to continue to get free support and updates.

What will happen after one year?

There is no fixed annual charge to be payable mandatory. However if any changes are required in our Add-On to make compatible with New Release of TallyPrime then the modification Charges will be applied.

I am using a multi-site. Can I use the same Add-on for all the sites?

No, one Add-on will work only for 1 site. You need to purchase again if you want to use the same Add-on for more sites.

TDL Management screen shows errors with the Add-on. What do I do?

Check whether the error is because of the Add-on or because of clashes between 2 TDLs (An add-on is also a TDL). In case of clashes, disable one or more TDLs and check which TDL has the error. If the Add-on has a problem, you can report it to us.

My Tally went into educational mode after installing the add-on. What do I do?

Go into **Gateway of Tally** → **Press F1 (Help)** → **TDL & Add-on** → **Press F4** and remove the Add-on from the list and Restart Tally.
